Aperture Education (DESSA-MINI)  
Urban Assembly - RSP

Over 90% Student Data Captured  
Internal Data Collection  
MTSS - Tier 1,2,3

Over 1000 Data Points Collected

### SESSION DESCRIPTION

In this session school stakeholders will learn how Windsor Public Schools is transforming school culture and building coherence around High Quality SEL.

We'll learn how they are organizing their district around SEL, in addition to how they are leveraging student data to increase the SEL skills of their educators, students, and families.  
#weare**WIN**dsor

### SESSION TAKEAWAYS

- 
- How to organize a district around SEL Practices
  - Build a culture of data-driven practices through the lens of SEL - with strategies to support intentional relationship building and the whole child approach
  - Build a SEL Culture where SEL Is a Priority, Not (just) a Program
  - Synthesize SEL in School-wide Practices
  - Build Teacher Efficacy in SEL Integration and Implementation
-
