

# SAY IT LOUD

BLACK SEL SUMMIT

## BlackSEL + The Classroom

1

### Step Up, Step Back: Let Go of the Biases

- What strategies will you use to let go of the biases you may have of your students?
- How will you use those same strategies to inspire your students to let go of the biases of each other and of their teachers?

2

### Be Present: Consistency is Key

- State two scenarios where a student will need consistency in your classroom.
- How will you best support them in those scenarios?

3

### In your own words, define the following terms:

- Self-awareness:
- Self-regulation:
- Decision-making:
